Dear Uncle Austin,

I want to thank
you for the easter cards
for all. Was glad to get
your letter and intended
to write before but have
had an unusually busy
spring

Have you kept well since
you went back to the home

Leslie and myself took
pansies and geraniums
to grandma's grave before
memorial, they looked
very nice when last we
saw them.

Chas has had all the
work he could do all
winter and spring opened
with plenty to do. He works
every night until eight
and some times nine for
he is screening in a porch

for a lady near here,
It was very warm here
yesterday and today looks
like another,

Have not seen Mary for
a long time.

When are you coming
to Brattleboro,?

Leslie has work all the
time. Harry Clark has a
new daughter,

I suppose you have the
Phoenix now so you see

the news every week.
we want to drive to
Bennington some Sunday
this summer and will see
you if we do.

write again when you are
able and come to see us

Love from All
Your nice

Lena
